

## HUNA TOTEM CORPORATION

### About your testamentary disposition...

The enclosed Testamentary Disposition is a last will and testament of your Huna Totem Corporation shares, as authorized by Alaska Statute 13.16.705. When properly completed, this document will direct who will receive your Huna Totem shares after your death. This Disposition can be replaced only by you, at any time, and the most recent one will be used to distribute your stock upon your death. This document directs only how your Huna Totem shares will pass and is not a complete will; you should have a regular will if you want to be certain that your other property will pass according to your intentions.

**Huna Totem requests that you return the completed form to the corporation at 9301 Glacier Highway, Juneau, Alaska 99801-9306, after you have filled it out, dated it, and signed it before a Notary Public. We encourage you to mail it via certified mail to help ensure that it will arrive safely.**

Huna Totem will make all reasonable efforts to protect your original Testamentary Disposition; however, the corporation cannot guarantee its safety and will not be liable for its loss or destruction. Therefore, you should preserve a certified photo copy (Make a photo copy of the original document and have a Notary Public certify that it is in fact a photo copy of the original document), as a reminder of how you have willed your stock and so that a copy exists if the original Testamentary Disposition is somehow destroyed or lost. You may wish to make another copy and give it to a trusted relative or friend, or put it in a safe deposit box or another safe place.

As time permits, Huna Totem staff will review your original Testamentary Disposition when you send it in, and will return it to you if they find some obvious defect in the way you have filled it out, signed it, or dated it. However, the acceptance and review of your Testamentary Disposition by Huna Totem Corporation in no way guarantees the validity of the document.

Remember that you may not will fractions of shares. For example, if you have 100 shares **and** three "equal" beneficiaries, you should state which two will receive 33 shares and who will receive 34.
